

## **SUPPORTING MUTUAL LEARNING DYNAMICS WITHIN GRACE**

### **Mutual Learning: a dual, powerful tool**

A method aiming at collectively building knowledge on shared themes, with a focus on problem-solving

A process aiming at introducing institutional changes in the norms and social patterns of an organisation

### **Nurturing a mutual learning environment**

- Organising mutual learning workshops, online meetings & exchanges
- Facilitating the capitalisation of knowledge and know-how
- Creating a support structure for the implementation of grounding actions
- Encouraging capacity building in managing RRI over time
